Membership Options

- **Fellow Member.** A Fellow Member is a physician assistant who is a graduate of a PA program accredited by ARC-PA or a predecessor or successor agency, or is NCCPA-certified. A Fellow Member must be employed or licensed in North Carolina as a physician assistant. A Fellow Member must be a fellow of the AAPA. A Fellow Member will have the right to vote on all matters on which members of the Academy are entitled by NCAPA Bylaws or by law to vote. *Because this membership type requires AAPA membership, you must include your AAPA membership number on the front of this form. If an AAPA membership number is not included you will automatically be entered as an Associate member.*
- **Associate Member.** An Associate Member is someone who is a graduate of a PA program accredited by ARC-PA or a predecessor or successor agency, or is NCCPA-certified, and who is licensed to practice in North Carolina. An Associate member meets all of the criteria of a Fellow member but elects not to become a fellow member in the AAPA. An Associate Member will have all the rights and privileges of a Fellow Member except that the Associate Member may not serve as an NCAPA Executive Committee member or delegate to the AAPA House of Delegates and may not vote on AAPA matters.
- **Affiliate Member.** An Affiliate Member is someone who is a graduate of a PA program accredited by ARC-PA or a predecessor or successor agency, or NCCPA-certified who does not live or work in NC **or** someone who is not a PA (such as an NP, physician, or pharmaceutical liaison) who wishes to associate with the Academy. Affiliate Members will be entitled to the privileges of the floor but will not be entitled to vote or hold office.

Minimum Standard for NCAPA Membership

Any individual who currently has his or her health care professional license, certificate, registration, or temporary permit revoked as a result of a final adjudicated disciplinary action for violation of their respective professional practice statutes or regulations shall be ineligible to apply for NCAPA membership during the period of that revocation.

Contact Information and Preferences

- **Clinical Rotation Availability.** A clinical rotation is a 4-8 week hands-on clinical experience in patient treatment and evaluation. By checking this box you are granting the NCAPA permission to forward your contact information to all North Carolina PA Programs as a possible Clinical Rotation option for PA students.
- **Job Shadowing Availability.** A job shadowing experience is a 1-2 day opportunity for a student to spend time with a practicing PA to get an idea of “the daily routine.” By checking this box you are granting the NCAPA permission to contact you regarding potential job shadowing opportunities.
- **Third Party Communications.** Periodically, NCAPA may provide mailing lists to non-NCAPA third-party providers. By checking this box, you are opting out of receiving communications from third-party providers.

NCAPA membership dues are not deductible as a charitable contribution for federal tax purposes, but may be deductible as a business expense. NCAPA estimates 15% of your dues are not deductible because of NCAPA’s lobbying activities on behalf of its members.
