Call for NCAPA Nominations

The North Carolina Academy of Physician Assistants has been the primary guardian of our profession at the local and state level and a key supporter at the national level. The physician assistants that comprise our leadership emerged from our general membership—YOU!

The Nominating Committee asks that you exercise your choice by nominating yourself or a colleague to a leadership position. All terms begin January 1, 2018. All officer candidates must have been a Fellow member in good standing of the NCAPA for the calendar year prior to election. Candidates for Director-at-Large and Nominating Committee member must have been a Fellow or Associate member of NCAPA for the calendar year prior to election. The following positions for elected offices in 2017 are open for nominees:

President-Elect

This is a three-year commitment to serve on the Board of Directors: one year as President-Elect, one as President, and one as Immediate Past President. As President-Elect you are responsible for the appointment of chairpersons of standing and ad hoc committees, subject to the approval of the Board; and preparing to serve as President. Responsibilities during your year as President include: presiding at all business meetings of the Academy and the Board of Directors, signing appropriate legal papers of the Academy, and serving as liaison to the NCAPA Central Office.

Must be bondable and will be bonded at the Academy's expense.

Director-At-Large (3)

This is a two-year commitment to serve on the Board of Directors. A Director is a voting member of the Board of Directors. Corporate powers are exercised by and under the authority of the Board of Directors. Business affairs of the Academy are managed by the Board of Directors or committees established by the board.

Treasurer

This is a two-year commitment to serve on the Board of Directors. The Treasurer receives all the funds of the Academy and disburses them as directed by the Board of Directors; accounts for all funds received/paid out and reports the same at each meeting of the Board of Directors and annually to the membership; will keep all funds of the Academy and promptly deposit them into depositories approved by the Board of Directors; and serve as a member of the Finance Committee.

At-Large Nominating Committee Member

This is a two-year commitment to serve on the Nominating Committee. The Nominating Committee is responsible for providing a slate of qualified nominees to run for election in the appropriate Academy leadership positions each year.

A list of complete requirements for the above leadership positions and the election process may be found on our website, www.ncapa.org, in the Board Portal section under NCAPA By-Laws. For questions or clarifications, please contact the Nominating Committee through the NCAPA Central Office (919-479-1995). Once you submit your name for nomination or that of a colleague, the Nominating Committee will contact the nominee to confirm willingness to serve. No names will appear in nomination without the nominee's consent.

May 31, 2017 is the deadline for those who wish for their nominations to be endorsed by the Nominating Committee for the 2018 slate. The Committee will review all nominations and report to the Academy by June 30, 2017. Those who wish to self-nominate (without Nominating Committee review) may do so until August 1, 2017.
