## Membership Options

- **Fellow Sustaining/Retired Member** is a physician assistant who is a graduate of a PA program accredited by ARC-PA or a predecessor or successor agency, or is NCCPA-certified. A Fellow Sustaining/Retired member must be retired from PA practice, living in North Carolina and must be a fellow of the AAPA. Sustaining/Retired status will afford the individual all the rights and privileges of membership except the right to vote and hold office. *Because this membership type requires AAPA membership, you must include your AAPA membership number on the front of this form. If an AAPA membership number is not included you will automatically be entered as an Associate member.*
- **Associate Sustaining/Retired Member** is someone who is a graduate of a PA program accredited by ARC-PA or a predecessor or successor agency, or is NCCPA-certified, and who is retired from PA practice and living in North Carolina. An Associate member elects not to become a fellow member in the AAPA. Sustaining/Retired status will afford the individual all the rights and privileges of membership except the right to vote and hold office.

### **Minimum Standard for NCAPA Membership**

***Any individual who currently has his or her health care professional license, certificate, registration, or temporary permit revoked as a result of a final adjudicated disciplinary action for violation of their respective professional practice statutes or regulations shall be ineligible to apply for NCAPA membership during the period of that revocation.***

***NCAPA membership dues are not deductible as a charitable contribution for federal tax purposes, but may be deductible as a business expense. NCAPA estimates 20% of your dues are not deductible because of NCAPA's lobbying activities on behalf of its members.***
