

## **NCAPA Endowment Lanny Parker Memorial Grant Application**

The Lanny Parker Memorial Grant was originally established in 2004 to fund PA and PA student education on issues of coding and reimbursement. In 2014, the purpose of the fund was expanded to support leadership and advocacy opportunities for PAs and PA students.

### **Guidelines**

PAs and PA Student Members of NCAPA may apply for this grant to support initiatives or attendance at events which emphasize health care economics, advocacy or leadership development. The maximum grant amount is \$500. The number of grants awarded per year will depend on the availability of funds. Applications are accepted on a rolling basis. A preliminary budget must be submitted with the application and post event reconciliation will be required.
