

Beth Ehlers, DMS, PA-C

Position Statement for 2025 Board of Directors

Candidate For: **Secretary**

Hello! My name is Beth Ehlers. I have been involved in NCAPA since PA school. I have served as a Student Representative and on the board as Student Director-at-Large. I am currently serving on the Diversity, Equity and Inclusion HBCU Outreach Committee and I am the Chair of the Government Affairs Legislative Subcommittee. I am passionate about PA advocacy and getting more PAs and PA students involved. My favorite thing about being a part of NCAPA is the chance to get to know students and PAs from across the state. It has been amazing to see what current and future PAs in North Carolina have been able to accomplish. I am particularly passionate about PA Advocacy and getting others involved.

I live in Lillington and work in psychiatry at Good Hope Hospital in Erwin, NC. I also serve as the Service Chair on the College of Pharmacy and Health Sciences Alumni Board at Campbell University. I also speak and lecture frequently at Campbell regarding PA Advocacy. When I am not wearing my "PA" hat I enjoy catching up on crime shows and documentaries, hanging out with my 11-year-old German Shepherd Charli, and my newest hobby of embroidery.

I would be honored to serve on the NCAPA board as Secretary. In this role I will continue my passion for advocacy and ensure that all information regarding meetings is recorded and shared appropriately and efficiently. It is important that we keep our records organized and our members informed.
