As a dedicated and passionate Physician Assistant, I am honored to present my candidacy for the role of Director at Large for the North Carolina Academy of Physician Assistants (NCAPA). With a solid background in clinical practice, leadership, and advocacy, I am committed to advancing the interests of our profession and enhancing the impact of our organization.

Vision and Goals:

1. **Advocacy and Representation:** I aim to be a powerful advocate for physician assistants at the state level, working diligently to influence policy and legislative decisions that support our profession. By collaborating with stakeholders and legislators, I will strive to ensure that the voice of the PA community is heard and considered in critical decisions affecting our practice.
2. **Professional Development:** Promoting continuous education and professional growth is essential to our success. I plan to support and expand opportunities for professional development, including workshops, seminars, and networking events that will empower PAs to stay current with medical advancements and enhance their skills. I also enjoy working with PA students and would be a great mentor and resource for them.
3. **Enhanced Collaboration:** Building stronger connections within the PA community and with other healthcare professionals is crucial. I will work to foster a collaborative environment that encourages shared learning, interdisciplinary teamwork, and mutual support among healthcare providers.
4. **Innovation and Adaptation:** The healthcare landscape is constantly evolving, and our ability to adapt and innovate is key to our continued success. I will advocate for the integration of new technologies and practices that can enhance patient care and streamline our operations, ensuring that PAs remain at the forefront of medical excellence.
5. **Community Outreach:** Engaging with our communities and promoting the value of physician assistants is vital. I will support initiatives that raise awareness about the role of PAs, improve public understanding of our contributions, and encourage students to consider careers in this rewarding field.

With years of experience as a practicing PA at a Federally Qualified Health Center, I bring a deep understanding of the challenges and opportunities within our profession. My education and experience have equipped me with the skills needed to effectively represent and serve our members. I am committed to working tirelessly on behalf of the NCAPA to advance our mission and achieve our shared goals.

Together, we can drive positive change and ensure that the North Carolina Academy of Physician Assistants remains a leading force in promoting excellence in healthcare.
